

Seeking Permission to film activity for broadcast at the University of Cambridge's Property

(the track or the Sports Centre)

February 2020

Please note that "any filming which takes place on University premises needs to complete a location agreement and gained permission from the sports service prior to filming".

To seek permission for an event in the future, please email Sport Bookings, bookings@sport.cam.ac.uk to get a location agreement.

If a request is made for filming urgently, e.g. a BBC news crew, then please call Ashley Edwards our Marketing and Communications Manager on 07785 117630 and he will be able to advise on how to proceed with this.
